

The following is an **excerpt** of the 2019 TruckSafe Standards for Standard C – Driver Health & Wellbeing:

C.1 Driver Health Policy

Your organisation must document and implement a Driver Health Management policy.

C.2 Driver Health Management Procedures

Your organisation must document and implement a Driver Health Management process.

C.3 Fitness for Duty

Your organisation must document a Fitness for Duty Management Policy.

C.4 Drug & Alcohol Management

Your organisation must implement and maintain procedures for monitoring drivers' fitness for duty, including implementing and maintaining a drug and alcohol policy.

C.5 Ensuring the Safety of Drivers

Your organisation must document how it meets its obligations so far as is reasonably practicable to ensure the safety of drivers.
