

The following is an **excerpt** of the 2019 TruckSafe Standards for Standard F – Mass, Dimension, Load, and Load Restraint Management:

F.1 Mass, Dimension, Loading and Load Restraint Policy

Your organisation must document and implement a Mass, Dimension, Load, and Load Restraint (MDLR) Policy.

F.2 Controls for Identified Risks in MDLR Management

Your organisation must document and implement control measures to manage identified risks to MDLR Management.
